It is hoped that most of the Tall Ships taking part in the event will join the Historical Seas Tall Ships Regatta which starts in Volos, Greece at the beginning of May.

Registration Process and Race Entry Forms

As part of our plan to encourage early registration for the Garibaldi Tall Ships Regatta, Entry Forms completed and returned to the Race Office at Gosport by **1 August 2009** attract a substantial Entry Fee discount. Tall Ships International Limited and the host ports of Genoa and Trapani will also assist in the marketing of berths on vessels registered as Race Entries, with priority given to those that register early.

The Race Entry Form will be e-mailed to the vessel database held by Tall Ships International Limited and available for downloading from the website, www.sailtraininginternational.org, from May 2009.

You are encouraged to register as early as you can!
