TIME CORRECTION FACTOR AND VESSEL MEASUREMENT FORM

Vessels taking part in the Garibaldi Tall Ships Regatta are all rated. This allows them to race together regardless of size or rig. Vessels are placed in classes according to the Racing & Sailing Rules & Special Regulations. In order for vessels to be rated, a comprehensive set of measurements is required to calculate the Time Correction Factor (TCF).

Vessels that are new to Sail Training International's Tall Ships races and regattas and have not been rated, or those that want their rating verified, or that have altered their measurements in any way, should apply to the Race Office for a measurement form. The measurements should be taken to the nearest 2 centimetres or 1 inch, and must be certified correct by a yacht designer, official measurer of the Royal Ocean Racing Club or similar national authority, a shipyard manager, the Race Director or a technical consultant of Sail Training International.

I/We require a Measurement Form to submit measurements of my/our vessel for a Time Correction Factor to be issued. (Please ✓ tick appropriate box)	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>

GARIBALDI TALL SHIPS REGATTA 2010 - VESSEL PARTICIPATION

Vessels taking part in the Garibaldi Tall Ships Regatta are required to stay in the host ports for all 'official visit' days as listed on the first page of this Entry Form. The official days start at 12 noon on the first day of each port visit and includes the parade of sail on the day of departure, as this is an important event for the ports and is an occasion when we can thank the local people for their hospitality and kindness.

Vessel operators and captains/masters are to make sure that any sailing plans or charters scheduled to commence after their vessel has left the Garibaldi Tall Ships Regatta should be designed so that their vessel can remain in port for the four designated official days and does not have to leave early. Vessels deciding to leave early will have no assistance in doing so from the organisers and must expect to pay full commercial rates for tugs, pilots etc.
